

Delivery of IMDG - RID cargoes outside office hours

Following an inspection by local authorities HAZMAT, we were reminded to the fact that subject to the *IMDG Code*, the *Codex Port of Zeebrugge on Dangerous Cargoes* as well as ISPS-regulations, full and correct details on dangerous cargoes need to be available prior to their admission to the terminal.

Therefore, as from 08 October 2011 all drivers delivering Dangerous Cargoes outside our office hours **i.e. from Saturday 18h00 until Monday 06h00** will be refused access to the terminal unless the correct DGD/CPC (or product details for rail related cargoes) is sent upfront and verified as correct by our booking department.

We kindly request you to relate this message to all concerned within your organisation and we thank you for your kind understanding.

Should anything be unclear, please do not hesitate to contact us. Our staff will be pleased to assist.

We hope to have informed you sufficiently with this, and remain,

Yours faithfully
